SENATOR SAVAGE: Any discussion? If not, the question is, shall LB 687A be advanced to E & R. All those in favor vote aye, opposed vote nay.

CLERK: Senator Savage voting aye.

SENATOR SAVAGE: Have you all voted? Please vote. Clerk will record.

CLERK: 26 ayes, 0 nays.

SENATOR SAVAGE: Next bill is...Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature. If you will recall last Friday, we passed non-controversial bills here from General File to E & R and some are appearing now for Final Reading on the 15th, which would be Monday. If you will look at your worksheet, it starts with LB33, and runs for 14 bills to LB899. There are some more of those same kind of bills that we adopted last Friday and they were considered as non-controversial. They are on Final Reading now or will be very shortly, and I am asking that they be bracketed for a date indefinite so that sometime when we can no longer work on General File we can devote more time to Final Reading. So we want to utilize our time for General File debate, budget, 703 or whatever the numbers may be and we will stack them over on Final Reading to be read at some collective time sometime after we can no longer work on General File.

CLERK: Does that apply to all bills set for Monday?

SENATOR BURBACH: Yes, it does.

CLERK: Okay, we will just knock the dates out then. How about Tuesday's, did you want those?

SENATOR BURBACH: There may be one. My aid just told me that LB491 is not one that we discussed a week ago Friday. Lets find out Monday whether we read it or not then. Ok, we will take care of them Monday.

SENATOR SAVAGE: The Clerk will now read LB716.

CLERK: Read LB716.

SENATOR SAVAGE: The Chair recognizes Senator Kennedy.

SENATOR KENNEDY: Mr. Chairman, members. These amendments are real simple. If you will turn to your bill on page 5, we will be striking all of the language in line 7, starting after the period which starts with the word "no" we will strike all of line 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20. That is all of the committee amendment and that is all that it does. I would ask that the committee amendment be adopted.

SENATOR SAVAGE: Any discussion? If not the question is to adopt the committee amendments to LB716. All in favor vote aye, all opposed vote nay. Have you all voted? Please vote. Clerk will record.

CLERK: 26 ayes, 0 nays Mr. President.
